Entrance Area: - 09:00 - 17:00

EVAR simulator workshop

Coordinator

■ Nour Eldeen Hesham

Instructor “in Alphabetical Order “

■ Amr Abo Rahma
■ Mohamed Omar Elfarouk

Objectives:

Hands on training on EVAR simulator

Hall C - 09:00 - 15:00

(BLS) Basic life support course (Nurses)

AVC Representative “in Alphabetical Order “

■ Eman Seif
■ Mohamed Kotb
■ Mohamed Osman

Objectives:

- International Certificate is released by the American Heart Association with a code number which is valid **for 2 years**

Hall B - 11:00 - 13:30

Duplex and Venous Intervention workshop

Coordinator

- Mohammed Elsabbagh

Instructor "in Alphabetical Order "

- Ahmed Gaweesh
- Ahmad Naga
- Hassan Lotfy
- Mohamed Eltawala

- Moustafa Mahmoud
- Othman Mahmoud
- WassilaTaha

Objectives

Hands-on training to improve your skills in venous interventions by using U/S and learning tips & tricks from venous experts

The workshop is technically supported and equipped by:

GE Healthcare

Hall C - 16:00 - 19:00

Basic Surgical Skills

Coordinator "in Alphabetical Order "

- Ahmed El Mahalawy
- Karim Ghazy
- Nour Eldeen Hesham
- Youssef Ramadan

Instructor

- Hany Elshennawy

Objectives

Hands-on training on different suturing techniques to build strong surgical base and improve your surgical skills

Hall B - 16:00 - 18:00

Arterial Workshop
SFA Endovascular Interventions?

Instructor

■ Ahmed Kassem

Moderator "in Alphabetical Order "

■ Ahmed El Sayed
■ Mohamed Kassaby

16:00 - 16:10 Delta Medical Lecture

Objectives:

Ante grade Vs Retrograde Does the WIRE really matter?
POBA.... the gold standard DCB...is it worth it?
Do STENTS really go down after 6 months?
Flush SFA CTO... what to do?
